

16 March 2020

Ms Yolanda du Randt
ACADEMIC INSTITUTE OF EXCELLENCE
127 Cecil Road
Salt River
Cape Town
7925

Accreditation Number: **ACC/17/07/00016**

Dear Ms Yolanda du Randt

PROVIDER ACCREDITATION NOTIFICATION

This letter serves as confirmation that **ACADEMIC INSTITUTE OF EXCELLENCE** has been approved for accreditation by the Construction Education and Training Authority (CETA).

Your application has been evaluated and the outcome is that your company complies with the application of the National Qualifications Framework Act 67 of 2008 1 (a); (i) and (ii) and as per delegation of quality assurance functions conferred to the CETA by the QCTO.

The period of accreditation is valid from **16 March 2020 – 31 March 2023**.

List of Qualifications:

Qualification ID	Qualification Title	Level
23683	National Diploma: Management of Civil Engineering Construction Processes	5

The total credits of the qualification will be determined by a detailed scope the provider is accredited for and please see attached

CETA will continue to monitor the standard of your training to ensure that it is in line with the Learning Pathways and Quality Development (LPQD) provisions; and as per your Quality Management Systems.

You will be contacted in this regard.

In respect to your Accreditation your attention is drawn to the following LPQD provisions:

1. The CETA accepts that secondary providers can use all their recognised facilitators and registered assessors.
2. All providers are to ensure that the CETA Head office is notified of any training taking place prior to the commencement date.
3. All providers are to ensure that only learners complying with qualifications' entry requirements be accepted on accredited training; Register all learners within a week from commencement on the CETA Indicium System;
4. Register and update all learner assessments on the CETA Indicium System after the learner has been deemed competent on a specific unit standard.
5. Inform the CETA within ten (10) working days of any changes to facilitators and/or assessors employed or to the status quo that would affect the applicant's competence.
6. Allow any authorised personnel of the CETA entry to the training premises to conduct auditing and monitoring activities and to moderate internal moderation relevant to the scope of accreditation.
7. Training providers are only allowed to conduct training and assessment on CETA qualifications and unit standards for which they are accredited on by CETA.
8. Your accreditation is on the basis that your current site complies with the requirements, should the provider wish to move to a new or a satellite training site, a new application for accreditation must be submitted.

Kind Regards,

Administrator

Construction Education and Training Authority

The above unit standards form part of a bigger list of unit standards outlining the full scope of the qualification of **National Diploma: Management of Civil Engineering Construction Processes** with the **SAQA ID 23683 Level 5**

In respect to your registration as a CETA registered assessor your attention is drawn to the following ETQA provisions:

1. CETA registered assessors are required to comply with and carry out all assessment responsibilities in accordance with code of conduct for assessors, ETQA policies and generic assessment guidelines and any particular assessment criteria and guidelines set for the qualification and/or unit standards that are registered by the CETA to quality assure;
2. Registered assessors must ensure that assessment practices and procedures are complete, fair, valid, reliable and practical and that assessment results are credible;
3. Must be honest in their dealings with assessment candidates, providers, employers, moderators and CETA staff
4. Maintain the confidentiality of assessments and respect the right to privacy of assessment candidates within the criteria and guidelines for assessment reporting of the CETA.
5. Must not substitute summative (onsite and institutional) assessment with simulation (institutional) assessment
6. Must record and report on the outcomes of summative assessment (onsite and institutional) together with recommendations for further development to the learner and the CETA or other relevant parties as determined by CETA
7. Submit reports on summative assessments to CETA's Head office within five (5) working days after completion of assessments
8. Registered assessors are only allowed to conduct summative assessment on CETA qualifications and unit standards for which they are registered against by CETA.
